

## **FUTURE NEXT HOLIDAY FOOD DRIVE 2011**

**Held at Mattawoman Middle School located in Waldorf, Maryland on**

**Thursday, November 17<sup>th</sup> 2011**

**Future Next Fall Math Program Parents and Students donated over 75 non perishable food items over a 3 week period. We had a great time each week during our math session. Along with students math lessons each week students also learned the importance of giving back.**

**This project gave students pride knowing they were indeed helping someone and or family in our community have food for the Thanksgiving holiday.**

**We ended our Math Program with a vote on which community food bank would receive the goods. The choices were (Children's Aide Society, St. Peter's Church and Catholic Charities) students voted hands down Children's Aide Society. When asked why Children's Aides they said simply because it has children in the name they must help children. We concluded program with a celebratory tribute with certificate distribution for program volunteers and participants and with dinner which consists of Pizza, Punch and cupcakes in celebrating each person commitment, generosity and thoughtfulness.**
