

## **Future Next Deep Stack Charity Poker Event**

**Held at the RIOT COMEDY THEATER in Washington, DC on**

**Sunday, October 30<sup>th</sup> 2011**

**The purpose of the poker fundraiser was to raise funds for our 2011 youth academic enrichment programs. Our event was very successful as we had over 62 of the highly skilled poker players from around the DC metro area come together in support of our charity. Our message was heard loud and clear FNC goal is to bridge the existing gap in academic achievement by creating individualized programs that reflects positive academic and personal outcomes with youth in our community.**
